Turm Spitze Höhe?

Traufhöhe ?

Traufhöhe ?

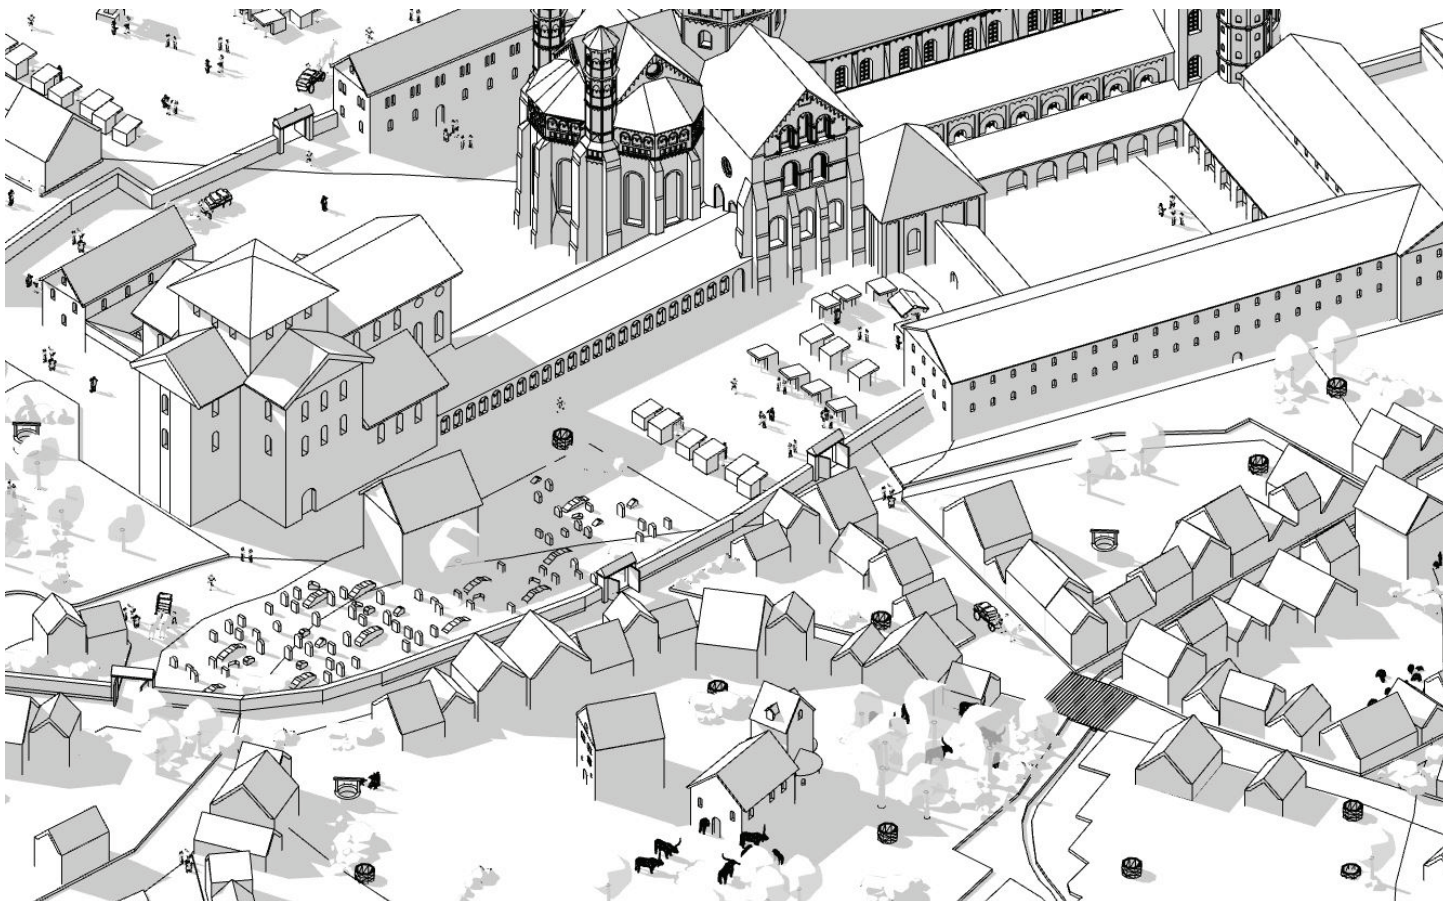

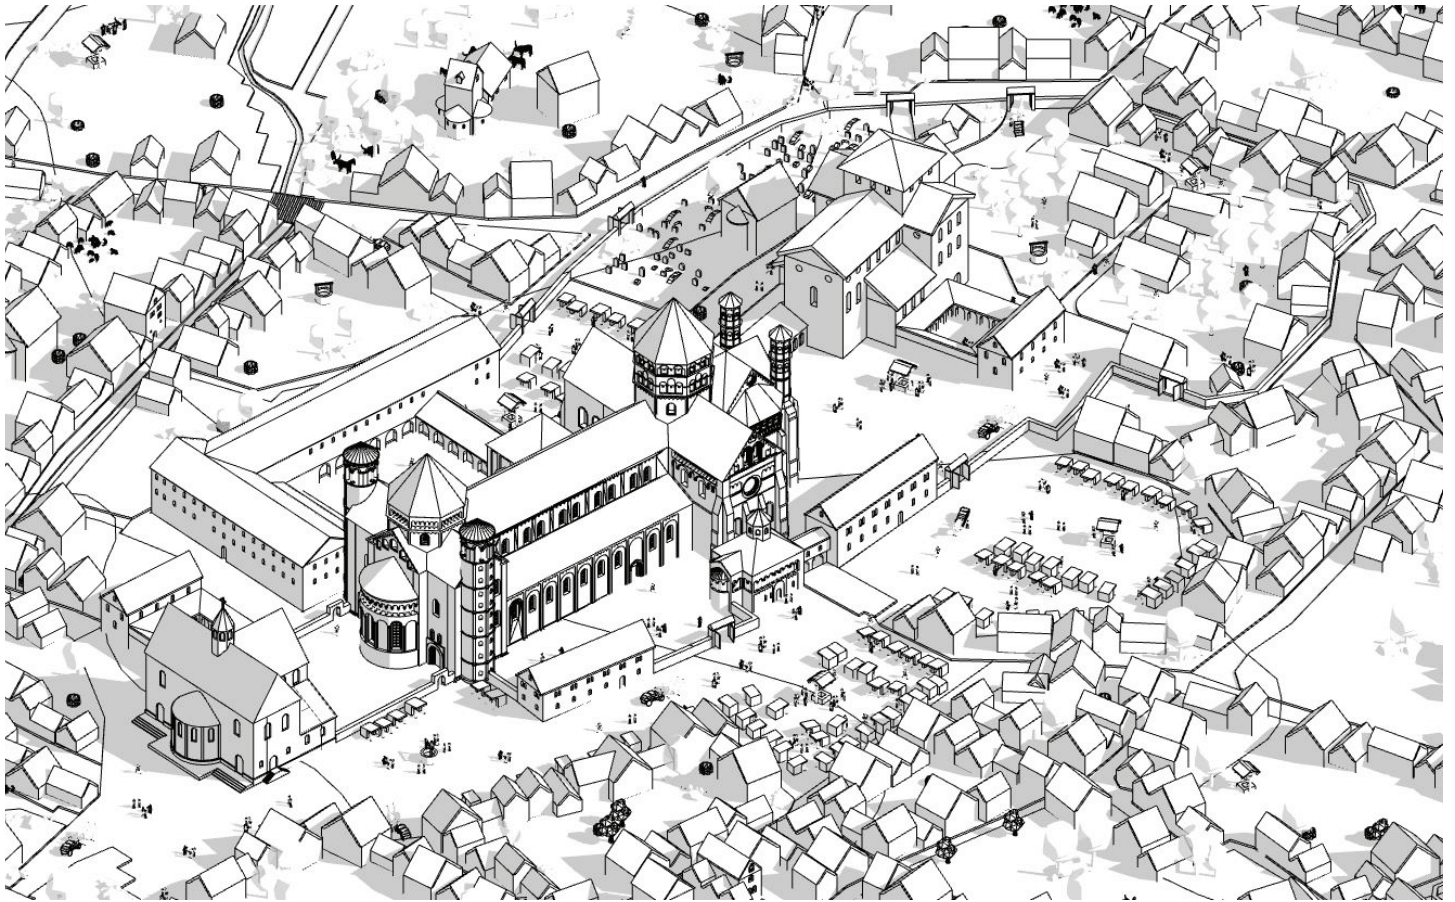

Mr. Faccani advice us not to stress the way.
The »Paradies« was indeed a curtain.
It is better to sugesst here just a free space,
and not to draw (and model a street)

In unserer Rekonstruktion um 1250 haben wir ein
verkürztes Seitenschiff im vgl. zu 800.

Infolge hätten wir nun (wenn wir die Struktur des
s von 800 weiter
denken) hier eine Lücke (blau markiert).
